Claims He Loaned Money to James T. Drummond—Defendants Have Little to Say.

Richard A. Canfield filed sult yesterday against James T. Drummond and Harrison I. Drummond for \$55,000. The petition aleges that in the month of September, 1809, in New York, the plaintiff, at the instance and request of James T. Drummend, loaned to him the sum of \$5,000. It is alleged that at the time, and before the money was paid and turned over to James T. Drummend, the other defendant, Harrison I. Drummond, promised that plaintiff should be repaid whatever moneys had been or might be advanced by plaintiff to James T. Drummond. Demand has been made upon defendants for the repayment of said money, but each of said defendants refused to pay the said sum, it is averred,

It is stated that Canfield conducts a gambling-house in New York and that the suit is the sequel to a visit of James T. Drummond to the place. Mr. Drummond became interested in a game of realette, and are experience not being satisfactory, Canfield protested against his remaining, but Mr. Drummond insisted on his rights as a centleman, it is asserted, it is also stated that Harrison I. Drummond called at Canfield requested him to take his brother away with him. James T. Drummond, who had been drinking, it is said, resented interference on the part of his brother and did not leave at that time, It it claimed that he asked Canfield to advance him money and that Harrison I. Drummond said his brother was good for any amount. to pay the said sum, it is averred,

any amount.
Canfield then, it is averred advanced
James T. Drummend \$55,000. Harrison I.
Drummond then departed and James T.
Drummond remained, it is said. Drummond remained, it is said.

When asked yesterday concerning the matter, James T. Drummond said: "All I have to say is that I did go to Cantield's place and was foolish enough to get drunk and play roulette there, and when It was over I was told that I had lost \$5,698. I did not know then, and don't know now, what I lost, or whether I lost anything."

Harrison I, Drummond said that he had no desire to get into a controversy with Mr. Cantield, and declined to make a statement.

Her Only Regret the Most Trying Experience of Her Life Before She Found a Remedy for All Woman's Ills.

Nobody who sees Mrs. Mary M. Peabody, of 42 Water Street, Haverhill, Mass., to-day will find it easy to believe that she has passed her 63d year and has endured more suffering than comes to the ordinary lot of women. How she regained health and happiness is best told in her own

words. She says: "Last winter and spring I had the grip which left my system all run down, I also suffered from female weakness and troubles peculiar to women. I had no strength and no ambition. My friends did not think that I would live and I was afraid that I was going into consumption. "I recalled the benefit that Dr. Williams Pink Fills for Pale People had done me in a former illuess, and last July I began taking them. They did not disappoint me. I used several horses of them and from a total wreck I was made a healthy woman. My only regret is that I did not know of Dr. Williams' Pink Pills for Pale People when I had the change of life. I am now enjoying the best of health, eat heartily and sleep soundly—all due to Dr. Williams' Pink Pills for Pale People.

Mrs. M. F. Long, of Le Loup, Franklin Co., Kans., writes: "Words cannot express how grateful I am for your kind advice and good medicines. I have been in poor health more or less all my life. In the past nine years grew worse, and two years ago I was so poorly could hardly drag around. I consulted a specialist, and he said I had ulceration and that an operation would have to be performed. This did not seem necessary to me, so time went by, and at last I wrote to Dr. Pierce asking advice. I soon got a helpful answer advising me to try his medicines, the 'Favorite Prescription, 'Golden Medical Discovery,' and also his 'Pleasant Pellets.' I began taking 'Favorite Prescription' and the other medicines as advised. When commence ing I weighed 1191/2 pounds, and after taking one bottle of each I felt like a new woman. In one month I gained 8 pounds. After taking two bottles of each of the medicines,

named streets. named streets.

It has been the policy of the Board of Public Improvements to grant petitions for laying water pipe on such streets only where there are sufficient improvements to where there are sufficient improvements to promise such an income from the water rates as would warrant the expenditure of the money required to lay the pipe. The argument presented in this case by a representative of the Lindell Real Estate Company was that as they intended improving the streets with a brick pavement the pipes should be laid in said streets before the pavement is constructed. Although we realize the desirability of having the pipes to laid we are of the opinion that all of the surplus revenue of the Water Department is necessary for extensions and improvements within are contemplated, and that it would not be wise to depart from the policy heretofore adopted by the Board, and hence recommend that petition No. 7325 be not allowed.
